Animal Agricultural Education, Curricula Development
- Production Systems Crops - Livestock Integration, Complementarily, Sustainable
Systems, Pastoral, Arid and Semi Arid, Highlands, Ruminant
Nutrition.
- Training Animal Agriculture Teaching, Ruminant Animal Agriculture, Graduate, Postgraduate,
Group Training Courses.

5. WORK EXPERIENCE: National and International levels.

Out of 27 years work experience 15 years have been in senior leadership and administrative positions. I have been involved in human resources development, staff management and recruitment. Acquisition and disbursement of research funds and execution of research projects, organisation of international meetings, workshops and seminars. I developed collaboration with national and international institutes and scientists in staff development in agriculture/animal production education, and in institutional development.

Member of the Egerton University Council (2009 to 2012). And Chairman Academic and Research Committee. Chairman, Board of Directors Tegemeo Institute for Agricultural Policy and Development, Egerton University. Vice Chairman, Coast Province Land Disputes Appeals Committee [July 2005 to 2011]. Co-opted Council Member, Mombasa Polytechnic University College. Was Chairman, Malindi District Anti-Corruption Civilian Oversight Committee. Chairman, Malindi Museum Society. Commissioner and Chairman Wakf Commission, Kenya from 2009. Appointed Chairman Laikipia University Council in 2013 for 3 years and served my complete tenure. Effective from 1st August 2017, I have been appointed Council Chairman Maseno University.

5.1 Administrative and Management experience.

- Chairman, Department of Animal Production University of Nairobi from 1979 to 1986.
- On many occasions acted as Dean Vet and Dean Agric and Principal of the College of Agriculture and Veterinary Sciences.
- Involved in Personnel Development, Management, Evaluation and Recruitment.
- Administration and disbursement of Development and Research Funds.
- Joined International Livestock Research Centre for Africa (ILCA) January 1987. Have been Head, Nutrition Unit and Nutrition Laboratory from December 1988 to December 1993.
- From March 1987 - December 1990 Co-ordinator of the African Research Network for Agricultural By-products.
- From July 1990 - December 1990 was Acting Co-ordinator Cattle Milk and Meat Thrust and Acting Head Nutrition and Management Section.
- At ILCA was Manager of four Cost Centres.
- Other responsibilities, apart from own research, have been in production of Committee and Evaluation Reports on various aspects of research and administrative matters and in guiding and developing research policy oriented to animal production and agriculture.
- Head Nutrition and Management Section in the Division of Animal Science from January 1991- December 1993.
- Resigned from ILCA on 31st December 1993.
- Member of the Egerton University Council from 2009 to 2012. Was Chairman Academic and Research Committee.
- Was Chairman, Board of Directors Tegemeo Institute for Agricultural Policy and Development, Egerton University.
- Vice Chairman, Coast Province Land Disputes Appeals Committee [July 2005 to August 2011]
- Co-opted Council Member, Mombasa Polytechnic University College September 2012.
- Was Chairman, Malindi District Anti-Corruption Civilian Oversight Committee.

- Chairman, Malindi Museum Society.
- Commissioner and Chairman Wakf Commission, Kenya.

5.2 Consultancy: National, International and Non-Governmental Organisations.

Have taken consultancy on development of sustainable crops and animal production systems, project planning and evaluation and agricultural education with:

- UNESCO/Man and Biosphere.
- European Economic Community.
- United States Agency for International Development.
- FAO/UNDP.
- Swedish International Development Agency.
- Norwegian Agency for Development Co-operation.
- Honorary consultation by International Foundation for Sciences
- Honorary consultation by International Development Research Centre, Canada.
- Honorary consultation/editing/review by some International Research Journals

5.3 Research experience

- Researched on various aspects of animal agriculture since 1967. The list of research projects undertaken includes substantial work in crop residues (crops-livestock agriculture) and studies on fodder, pastures and browses, including multipurpose trees (intake & utilisation) and the eco-systems in large and small ruminants grazing under pastoral semi-arid and arid areas
- Other experiences on research - see list of consultancy. I have had considerable research inputs with UNESCO/Man and Biosphere on Integrated Project in Arid Land (IPAL) and with FAO/UNDP and other International Organisations on livestock development under pastoral conditions and under intensive to very intensive production systems.
- Listed research projects as in Main C.V.
- Authored and co-authored 97 publications (journals, proceedings, conference papers & consultancy reports).
- Attended many International Research Conferences/Workshops/Seminars.

5.4 Research grants

- Norwegian Agency for Development Co-operation.
- International Atomic Energy Agency.
- European Economic Community.
- German Agency for Technical Co-operation.
- German Academic Exchange Service.
- University of Nairobi, Deans Research Grant.
- Co-operative Research, Ministry of Agriculture and Livestock Development, Kenya Government.

5.5 Academic Experience

- Teaching Animal Production since 1967 to Agriculture and Veterinary students at both undergraduate and graduate levels; and to short term International group courses.
- Supervision - M.Sc. and Ph.D. students.
- Developing curricula for Animal Science and Agriculture in general.
- Externally examined in many Universities.

5.6 Awards/Fellowships

- International Development Research Centre, Canada.
- Norwegian Agency for Development Co-operation.
- Federal Republic of West Germany.
- Inter University Council - U.K.
- Association of the Commonwealth Universities- U.K.
- International Atomic Energy Agency - Vienna.
- Fulbright Grant by the Council for International Exchange for Scholars - U.S.A.
- Ford Foundation.
